

Summer Reading & Khan Academy Instructions

To ensure students continue learning and stay on pace with academic expectations, Lux Christian Academy (LCA) has assigned summer work to keep students engaged and learning during summer break.

Students in 3rd- 6th grade are required to read the following two books before the beginning of the school year:

- **The Lemonade War by Jacqueline Davies**
- **Wonder by R. J. Palacio**
 - **Students will also need a composition book**
 - **Instructions for book journaling are below**

Students will also be required to complete their assigned Khan Academy work over the summer. Below are login instructions. Once students are logged in, they will be able to complete assignments and track their own progress.

All Khan Academy work must be completed during the summer.

We encourage students to work consistently throughout the summer rather than waiting until the last minute. A little progress each week will help students return to school confident and prepared for a successful year.

If you have any questions during the summer, please email admin@luxchristian.org.
